

Upper La Platte River Natural Area Outdoor Classroom

Located in Shelburne, VT, only 20 minutes outside of downtown Burlington

Inspirational Learning Environment

- Ideal for water quality research because of the buffer zones being installed along the riverside.
- Variety of habitat including riverbank habitat, agricultural land, floodplain, and woodland areas
- Parking area at the trailhead
- Several trails, varying in length and scenery
- No facilities available

Directions

From Route 7 turn East onto Marsett Road – almost across from the Shelburne Museum. Follow straight as it becomes Falls Road and go across the bridge. Immediately after the bridge, turn right onto Thomas Road. Turn right down the driveway at 480 Thomas Road.
